St Eanswythe's News

What a busy but fantastic week it has been! Last week the children had time to settle into their new classes and routines, and are now showing the teachers all their amazing skills and abilities.

We are already seeing some wonderful enrichment opportunities this week - Year 6 went off to do a WW1 workshop at the Folkestone Museum and had lots of fun getting into character to properly immersing in the topic. Year 4 and 5 were lucky enough to enjoy the exhilarating rides at Legoland and due to the rain, almost had the park to themselves! The rain didn't dampen their spirits though, as they all came back happy and excited to share the events of the day.

A huge well done to our amazing Year 6s who sat their Kent Test this week. They all tried their best and supported each other beautifully.

New Ducklings

What a wonderful first week we have had in Ducklings Class! The children have been busy exploring their new classroom, getting to know their new surroundings and having lots of fun in our playground. We even went on a little tour of the school, visiting some of the other classrooms and beginning to get to know the wider school community.

We have been so impressed with how brilliantly the children have settled into what is a very new and different environment for them. There has been lots of lovely sharing, taking turns, helping one another and learning to be patient as we get to grips with our new routines and transitions.

Most importantly, we have already seen many happy faces, growing confidence and some lovely friendships beginning to form. It has been wonderful to watch the children become more comfortable in their new surroundings each day.

We are very much looking forward to having the whole Ducklings class together for the full day next week, continuing to explore, learn and play together and, of course, making lots more new friends along the way!

Well done, Ducklings! You have had a fantastic first week.

PTFA NEWS

It has been lovely to see everyone on the school run again. We hope you have all had a good start to the term.

This year we are fundraising to refurbish the playground equipment as well as the usual PTFA events (such as the Christmas panto). To get started with this, we have some PTFA dates for the autumn term (see below) and will share more details as we approach each event.

The first upcoming date this month is the PTFA AGM, which is a yearly meeting held by the school's Parent, Teacher and Friends Association to elect the committee and hear about activities and funds raised over the past year, as well as plans for the future. Teachers have kindly offered to look after children in the hall for parents who would like to attend. Please do join us to vote or volunteer if you are able to. We look forward to seeing you there!
